2.1 Software Service. The following terms apply only to the Software Service set forth in an applicable Software Order. If PickNik is providing Perpetual Licensed Software under a particular Software Order, the terms of Section 2.2 apply.

(a) Software Service Subscription. Subject to this Agreement and each applicable Software Order, PickNik grants to Customer, during the applicable License Term (as defined below), a non-exclusive, non-transferable right to remotely access and use the Software Service, solely for Customer’s internal business purposes relating to the use of an applicable Robot Platform and strictly in accordance with the Documentation. Unless otherwise set forth in a Software Order, Customer may not make the Software Service available to any third party other than Customer’s affiliates, contractors, and agents using the Software Service on Customer’s behalf as permitted herein.

(b) Software Agent. In connection with a Software Order for Software Service, PickNik will make available to Customer a Software Agent. Subject to this Agreement, the Documentation, and each applicable Software Order, PickNik grants to Customer, during the License Term, a non-exclusive, non-transferable, and non-sublicensable license to: (i) install and use the Software Agent in executable form on the number of Robot Platforms for which Customer has purchased a license (as indicated in the Software Order) and solely in connection with Customer’s use of the Software Service; (ii) make one (1) copy of the Software Agent solely for backup or archival purposes; and (iv) copy and reproduce the Documentation provided to Customer solely for the purposes of facilitating Customer’s permitted use of the Software Service.

(c) Software Service Support & Maintenance. Subject to Customer’s payment of all applicable fees, PickNik will provide Support & Maintenance for the Software Service during the License Term. PickNik may install Updates to the Software Service automatically.

2.2 Perpetual Licensed Software. The following terms apply only to Perpetual Licensed Software set forth in an applicable Software Order. If PickNik is providing Software Service under a particular Software Order, the terms of Section 2.1 apply.

(a) License. Subject to this Agreement and each applicable Software Order, PickNik grants to Customer, a perpetual non-exclusive, non-transferable, and non-sublicensable license to: (i) install and use the Licensed Software in executable code form on Customer’s servers and workstations, solely for Customer’s internal business purposes relating to the use of an applicable Robot Platform, (ii) install and use the Software Agent in executable form on the number of Robot Platforms for which Customer has purchased a license (as indicated in the Software Order), (iii) make one (1) copy of the Licensed Software solely for backup or archival purposes; and (iv) copy and reproduce the Documentation provided to Customer solely for the purposes of facilitating Customer’s permitted use of the Licensed Software. Unless otherwise set forth in a Software Order, Customer may not make the Licensed Software available to any third party other than Customer’s affiliates, contractors, and agents using the Licensed Software on Customer’s behalf as permitted herein.

(b) Perpetual Licensed Software Support & Maintenance. Subject to Customer's payment of all applicable fees, PickNik will provide Support & Maintenance for the Perpetual Licensed Software, during the period set forth in the applicable Software Order, commencing on the first day of the License Term. Unless otherwise provided in the Software Order such Support & Maintenance Term will automatically renew for successive one (1) year terms, unless a party provides written notice of its intent not to renew at least ninety (90) days prior to the end of then-current Support & Maintenance Term. Customer is required to install each Update to Licensed Software within 30 days of it becoming available for installation.

2.3 Delivery, Acceptance, and Installation of Licensed Software. PickNik will deliver the Licensed Software to Customer as mutually agreed to by the parties. Without limiting the warranties in this Agreement, the Licensed Software will be deemed accepted upon delivery. Unless otherwise provided herein or mutually agreed by the parties, Customer is responsible for installing and integrating the Licensed Software on the Robot Platform and computers and with its systems in accordance with the Documentation and any instructions provided by PickNik.

2.4 Support & Maintenance. "Support & Maintenance" means: (a) support during regular PickNik business hours for the then-current release of the Licensed Software licensed by Customer hereunder, and (b) rights to updates, enhancements or modifications which PickNik incorporates into and makes a part of the general release Licensed Software and does not separately price or market (each an "Update"). PickNik may charge Customer on a time and material basis for problem resolution services that exceed PickNik's standard Support & Maintenance, including: (a) when a problem has been created due to Customer error and/or neglect; (b) when such problem is associated with third-party or pre-requisite software; (c) when such problem is associated with client hardware modifications or replacements or network issues; (d) during a system installation, upgrade, or conversion; or (e) when support is required at times other than PickNik's normal business hours.

2.5 Configuration Period.

(a) Acceptance Criteria. If a Software Order specifies that there shall be an initial configuration period for the Software, then the terms and conditions of this Section 2.5 and any other provisions which specifically reference a "Configuration Period" shall govern any such Configuration Period (as hereinafter defined) and shall control to the extent of any conflict with the other terms and conditions of this Agreement and the applicable Software Order, but solely to the extent of the conflict and solely for the duration of the Configuration Period. For purposes of this Agreement, the "Configuration Period" means the period of time beginning on the Effective Date of the applicable Software Order (which Software Order specifies that there shall be an initial configuration period) and ending on the date all configuration milestones specified therein ("Acceptance Criteria") have been achieved.

(b) License Term Commencement. During any Configuration Period, any references to perpetual or term-based rights or licenses in any of the applicable Sections of this Agreement or the applicable Software Order (e.g., any references to the License Term) shall be construed as rights or licenses that are limited to the Configuration Period only. The parties acknowledge and agree that: (i) unless and until the Acceptance Criteria have been met, no rights or licenses granted to Customer hereunder shall continue beyond the Configuration Period; and (ii) immediately upon the achievement of such Acceptance Criteria the Configuration Period will terminate, all applicable License Terms shall commence, and all terms and conditions of this Agreement and the applicable Software Order shall apply with full force and effect.

(c) Exclusions. The parties further acknowledge and agree that the following Sections of this Agreement shall not apply during any Configuration Period: Sections 2.3, 7.2, and 11. All other Sections of this Agreement and the applicable Software Order shall apply as set forth in, and subject to, this Section 2.5.

2.6 Third-Party Products. The Software is intended to operate in conjunction with certain third-party products ("Third-Party Products"). Customer understands and agrees that PickNik makes no representation, warranty, or claim related in any way to any Third-Party Products. Customer further understands and agrees that any updates, upgrades, or other modifications to Third-Party Products, whether by Customer or any other party, may cause disruption in the functionality of the Software and Customer's use thereof, and PickNik is not responsible for any such disruption.

2.7 Open Source Software. Certain Open Source Software may be provided to Customer along with the Software. Each item of Open Source Software is subject to and licensed under the terms and conditions that accompany such Open Source Software and those licenses may vary from those set forth in this Agreement. Nothing in this Agreement limits Customer's rights under, or grants Customer rights that supersede, the terms and conditions applicable to the Open Source Software.

2.8 Professional Services. PickNik will perform the Professional Services agreed to in, and in accordance with, an applicable Statement of Work. To the extent Customer and PickNik enter into a Statement of Work for Professional Services, the terms of Schedule A attached hereto shall apply.

3. USERS. Customer shall be responsible for the acts and omissions of each person authorized by Customer to access or use the Software (each a “User”). Customer will use commercially reasonable efforts to prevent unauthorized access to, or use of, the Software, and shall notify PickNik promptly of any such unauthorized use. Customer is responsible for maintaining the confidentiality of all Users’ usernames and passwords, and is solely responsible for all activities that occur under these usernames. Usernames are unique to an individual User, and cannot be shared with any other User or person. Customer agrees (a) not to allow an unauthorized third party to use its account, usernames, or passwords at any time; and (b) to notify PickNik promptly of any actual or suspected unauthorized use of its account, usernames, or passwords, or any other breach or suspected breach of this Agreement by Customer or any User. PickNik reserves the right to terminate any username or password that PickNik reasonably determines may have been used in violation of this Agreement, or by an unauthorized third party or any User or individual other than the User to whom such username and password was originally assigned.

4. FEES AND PAYMENT.

4.1 Fees. Customer will pay to PickNik the fees set forth in each applicable Ordering Document and as may be otherwise agreed to by the parties, in writing, from time to time (“Fees”). Any Fees incurred by Customer after the Effective Date of an Ordering Document will be billed at the applicable PickNik pricing then in effect (including Fees for the Software and Services during any Renewal License Term (as defined below), additional User fees, and fees for any other service or item). Fees for adding additional Users will be paid by Customer upon the addition of such User, and Fees will be prorated through the end date of the then current License Term.

4.2 Support & Maintenance Fees. Fees for Support & Maintenance set forth in a Software Order, if any (“Support & Maintenance Fees”), are invoiced in advance of the applicable initial Support & Maintenance Term and each renewal Maintenance Term thereof. In the event Customer desires to reinitiate Support & Maintenance after the expiration or termination of any such Support & Maintenance Term, Customer shall be required to make an upfront payment equal to (a) all annual Support & Maintenance Fees that Customer would have been required to pay between the date of expiration or termination and the date of the reinstatement and (b) the current annual Support & Maintenance Fee.

4.3 Expenses. Customer shall reimburse PickNik for reasonable pre-approved expense for travel, lodging, and meals, and such other pre-approved costs and expenses PickNik may incur in connection with the performance of Services (“Expenses”). PickNik will provide documentation related to Expenses upon Customer’s request. Travel time will be billed as follows: 50% of total travel time from the departure from the office to arrival at the final destination (office, hotel, etc.) at the normal hourly rate, unless otherwise agreed by the parties. Per diem will also be included in any such travel costs.

4.4 Payment Terms. PickNik will invoice Customer for Fees and Expenses pursuant to the applicable Ordering Document and, unless otherwise specified in an Ordering Document, Customer will pay all Fees and Expenses within fifteen (15) days after receipt of the applicable invoice. Upon ten (10) days’ prior written notice and Customer’s failure to cure, PickNik reserves the right (in addition to any other rights or remedies PickNik may have) to suspend the Services, along with Customer’s and all Users’ access to the Software Service, if any Fees or Expenses are more than thirty (30) days overdue until such amounts are paid in full; and there shall be no abatement of Fees or Expenses during such period of suspension. All payments must be made in U.S. dollars. Outstanding balances shall accrue interest at a rate equal to the lesser of one and one half percent (1.5%) per month and the maximum rate permitted by applicable law, from the due date until paid, plus PickNik’s reasonable costs of collection. All Fee and Expenses due hereunder are exclusive of, and Customer shall pay, all sales, use, ad valorem, and other taxes, export and import fees, customs, duties, and similar charges applicable to the transactions contemplated by this Agreement, except for taxes based upon PickNik’s net income.

4.5 No Set-Off or Deduction. Every payment payable under this Agreement will be made in full without any set-off or counterclaim howsoever arising and will be free and clear of, without deduction of, or withholding for or on account of, any other amount which may be due and payable under this Agreement.

5. EQUIPMENT. An Ordering Document may reference certain Customer hardware or equipment (“Equipment”) to be provided by Customer to PickNik in connection with the Services. Customer will deliver all such Equipment to PickNik, at Customer’s sole cost and risk, after the applicable Ordering Document is signed by both parties. Customer’s failure to deliver the Equipment promptly may delay performance of the Services and PickNik shall not be responsible for any such delay. Delivery to PickNik shall be DDP (Incoterms 2020) to a location in the U.S. identified by PickNik. Within ninety (90) days

following the end of the Services requiring access to the Equipment, Customer shall coordinate and pay for return shipment of the Equipment, and provide PickNik with return shipping instructions. Such return shipping shall be EXW (Incoterms 2020), at Customer's cost and risk. If Customer fails to provide return shipping instructions, PickNik will provide Customer with notice of such failure. If within thirty (30) days following such notice Customer has failed to coordinate such return shipment and deliver return instructions, PickNik may, in its sole discretion and without liability, either continue to store the Equipment at Customer's cost at PickNik's then-current storage rates or dispose of the Equipment. All Equipment delivered to PickNik shall: (a) remain Customer's personal property; (b) be insured by Customer at an amount equal to its replacement cost; (c) be subject to removal at Customer's request and expense; and (d) be held at Customer's risk of loss. PickNik shall have no responsibility for any damage to or loss, theft, or destruction of any Equipment.

6. TERM; TERMINATION.

6.1 Term; Termination. The initial term of this Agreement will begin on the Effective Date of this Agreement and will continue for so long as any Ordering Document remains effective (the "**Term**") unless this Agreement is terminated earlier as set forth herein. Each Software Order will provide the duration of Customer's license of the Licensed Software or the period during which Customer may access and use the Software Service (in each case, the "**Initial License Term**"); provided, however, that if a Configuration Period is provided in the applicable Software Order, the Initial License Term therefor will not begin until the applicable Acceptance Criteria has been met. Except for Perpetual Licensed Software, the Initial License Term will automatically renew for additional periods equal to the length of the Initial License Term (each a "**Renewal License Term**") and together with the Initial License Term, the "**License Term**"), unless either party provides notice of non-renewal to the other party at least ninety (90) days prior to the expiration of the then-current License Term. Either party may terminate this Agreement or an applicable Ordering Document upon written notice if the other party materially breaches this Agreement and does not cure such breach within thirty (30) days after receiving written notice thereof. For the avoidance of doubt, Customer's failure to pay the Fees and Expenses due under any Ordering Document to PickNik within ten (10) days following the applicable invoice due date will constitute a material breach of this Agreement.

6.2 Effects of Termination. Upon termination or expiration of this Agreement for any reason: (a) any amounts owed to PickNik under this Agreement up to and through the effective date of such termination or expiration will be immediately due and payable; (b) all rights granted by PickNik to Customer in or to the Software Service will cease, and Customer must immediately discontinue use of the Software Service; and (c) all rights granted by PickNik to Customer in or to Licensed Software (other than Perpetual Licensed Software) will cease, and Customer must immediately discontinue use of such Licensed Software and remove such Licensed Software from Customer's Robot Platforms, servers, and workstations. In addition, upon any termination or expiration, each party must return to the other party, or destroy, all of the other party's Confidential Information in that party's possession or control, including all copies thereof. For the avoidance of doubt, if any Fees under a Statement of Work are milestone-based, the amounts owed to PickNik under subpart '(a)' of the foregoing sentence shall include all Fees for work performed by PickNik toward such milestones up to and through the effective date of termination or expiration. Sections 1, 5, 7.3, 7.4, 8, 9, 10, 11, and 12 together with any accrued payment obligations, will survive expiration or termination of this Agreement for any reason.

7. WARRANTY; DISCLAIMER.

7.1 General Warranties. Each party represents and warrants to the other party that it has the full right, power, and authority to enter into this Agreement, to grant the rights and licenses granted hereunder, and to perform its obligations hereunder.

7.2 PickNik Software Warranties. PickNik warrants to Customer that the Software, when used as permitted by PickNik and in accordance with the Documentation and this Agreement, will operate as described in the Documentation in all material respects. PickNik does not warrant Customer's use of the Software will be error-free or uninterrupted. For any breach of this warranty, PickNik will, at its own expense and as its sole obligation and Customer's sole remedy, use commercially reasonable efforts to correct any reproducible error in the Software reported to PickNik by Customer in writing during the applicable Warranty Period. This warranty shall not apply to, and PickNik shall have no obligation in connection with: (a) Customer's inability to use the Software due to minimum system requirements or other factors beyond PickNik's reasonable control, (b) any error, defect, or failure resulting from Customer's own implementation of the Software, (c) Customer's use of the Software other than as expressly permitted in this Agreement and the Documentation, or (d) Customer's own hardware, data, software, or network connection.

7.3 Disclaimer of Warranties. EXCEPT FOR THE EXPRESS WARRANTIES SET FORTH IN THIS AGREEMENT, PICKNIK DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, OR STATUTORY, REGARDING THE SOFTWARE AND SERVICES, INCLUDING ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, AND ANY WARRANTIES ARISING FROM COURSE OF DEALING OR COURSE OF PERFORMANCE. THE SOFTWARE AND SERVICES ARE PROVIDED SOLELY AS THEY RELATE GENERALLY TO ROBOTIC THEORIES AND NOT FOR ANY SPECIFIC END USER PURPOSES. PICKNIK SHALL HAVE NO LIABILITY UNDER THIS AGREEMENT, IN WARRANTY, INDEMNITY, OR OTHERWISE, FOR ISSUES ARISING IN CONNECTION WITH ANY VERSION OF THE SOFTWARE OTHER THAN ITS MOST CURRENT VERSION.

7.4 Configuration Period Disclaimer. NOTWITHSTANDING ANYTHING TO THE CONTRARY, DURING ANY CONFIGURATION PERIOD: (A) SOFTWARE AND SERVICES ARE PROVIDED ON AN AS-IS AND AS-AVAILABLE BASIS WITHOUT ANY WARRANTY OF ANY KIND AND CUSTOMER AGREES THAT ITS AND ITS USERS' USE OF ANY OF THE SAME WILL BE AT CUSTOMER'S AND EACH USER'S SOLE RISK, RESPECTIVELY; AND (B) CUSTOMER'S SOLE AND EXCLUSIVE REMEDY (AND PICKNIK'S ENTIRE LIABILITY) FOR A BREACH OF THE APPLICABLE TERMS OF THIS AGREEMENT DURING THE CONFIGURATION PERIOD IS TO TERMINATE THE APPLICABLE ORDERING DOCUMENT.

8. CONFIDENTIALITY.

8.1 Protection. The party receiving Confidential Information (“**Receiving Party**”) from the other party (“**Disclosing Party**”) will not use any Confidential Information of the Disclosing Party for any purpose not expressly permitted by this Agreement, and will limit access to and disclose the Confidential Information of the Disclosing Party to only those employees or contractors of the Receiving Party who have a need to know such Confidential Information for purposes of this Agreement and who are under a duty of confidentiality no less restrictive than the Receiving Party's duty hereunder. The Receiving Party will protect the Disclosing Party's Confidential Information from unauthorized use, access, and disclosure in the same manner as the Receiving Party protects its own confidential or proprietary information of a similar nature and with no less than reasonable care.

8.2 Exceptions. The Receiving Party's obligations under Section 8.1 above with respect to any Confidential Information of the Disclosing Party will terminate if and when the Receiving Party can document that such information: (a) was already lawfully known to the Receiving Party at the time of disclosure by the Disclosing Party; (b) was disclosed to the Receiving Party by a third party who had the right to make such disclosure without any confidentiality restrictions; (c) is, or through no fault of the Receiving Party has become, generally available to the public; or (d) is independently developed by the Receiving Party without access to, use of, or reference to the Disclosing Party's Confidential Information. In addition, the Receiving Party may disclose certain Confidential Information of the Disclosing Party to the extent that such disclosure is: (i) pre-approved in writing by the Disclosing Party, (ii) necessary for the Receiving Party to enforce its rights under this Agreement in connection with a legal proceeding; or (iii) required by law or by the order of a court or similar judicial or administrative body, provided that, to the extent legally permissible, the Receiving Party notifies the Disclosing Party of such required disclosure in writing prior to making such disclosure and cooperates with the Disclosing Party, at the Disclosing Party's reasonable request and expense, in any lawful action to contest or limit the scope of such required disclosure.

8.3 Return of Information. Except as otherwise expressly provided in this Agreement, the Receiving Party will return to the Disclosing Party, or destroy, all Confidential Information of the Disclosing Party in the Receiving Party's possession or control, and permanently erase all electronic copies of such Confidential Information, promptly upon the expiration or termination of this Agreement and upon any earlier written request of the Disclosing Party; provided that the Receiving Party shall not be required to destroy electronic records or files that have been created pursuant to the Receiving Party's automatic archiving and back-up procedures and of which the removal is not technically practical.

8.4 Injunctive Relief. Each party acknowledges that a breach or threatened breach of this Section 8 would cause irreparable harm to the non-breaching party, the extent of which would be difficult to ascertain. Accordingly, each party agrees that, in addition to any other remedies to which a party may be legally entitled, the non-breaching party shall have the right to seek immediate injunctive or other equitable relief in the event of a breach of this Section 8 by the other party or any of its employees or agents.

9. INTELLECTUAL PROPERTY; RESTRICTIONS ON USE.

9.1 Proprietary Rights in the Software and Services. The Software, the Background Technology, and any deliverables developed under a Software Order (including in each case any updates or enhancements thereto) and all worldwide Intellectual Property Rights in each of the foregoing, are the exclusive property of PickNik and its licensors. All

rights in and to the Software, Background Technology, or Services not expressly granted to Customer in this Agreement are reserved by PickNik. PickNik shall retain all right, title, and interest in and to any intellectual property rights developed by, or on behalf of, PickNik in the course of performing its obligations under this Agreement.

9.2 Restrictions on Use. Except as expressly permitted in this Agreement or as otherwise authorized in advance by PickNik in writing, Customer will not, and will not permit any third party to: (a) modify, adapt, alter, translate, or create derivative works from the Software; (b) sublicense, lease, rent, loan, sell, distribute, make available or otherwise transfer the Software to any third party; (c) reverse engineer, decompile, disassemble, or otherwise attempt to derive the source code for the Software; (d) interfere with or disrupt in any manner with the operation of the Software or the servers or networks providing the same (or any portion thereof); (e) remove, alter, or obscure any proprietary notices (including copyright notices) of PickNik or its licensors displayed in connection with the Software; (f) otherwise use the Software except as expressly allowed under this Agreement; or (g) use the Software to:

- (i) interfere with the core functionality of PickNik's products or services;
- (ii) cause harm to any person or property;
- (iii) harm, defame, abuse, harass, stalk, threaten, endanger the safety of, or violate the legal rights (such as rights of privacy and publicity) of, any person or encourage any third party to do the same;
- (iv) perform an action with the intent of introducing any viruses, worms, defects, Trojan horses, malware, or any items of a destructive nature intended to harm the Software or any or any users of the same or users of any products or services using, embodying, or incorporating the Software;
- (v) access or control any robot or other product in a manner that could cause any harm, damage, or loss to any third party or property, other than in a legal manner in connection with a bona fide law enforcement action;
- (vi) in violation of any law, rule, or regulation, or in a manner that causes PickNik or any other person to be in violation of the same;
- (vii) tamper with the security of any of the hardware, software, or networks used by PickNik to make the Software or Services available or tamper with any user or customer accounts;
- (viii) disable, circumvent, or avoid any security device, mechanism, protocol, or procedure established by PickNik; or
- (ix) permit others to do any of the foregoing.

10. LIABILITY.

10.1 Limitation of Liability. EXCEPT FOR A BREACH OF SECTION 8, SECTION 9.2, OR A PARTY'S FRAUD OR WILLFUL MISCONDUCT, IN NO EVENT WILL EITHER PARTY BE LIABLE FOR ANY CONSEQUENTIAL, INDIRECT, EXEMPLARY, SPECIAL, OR INCIDENTAL DAMAGES, INCLUDING ANY LOST DATA AND LOST PROFITS, ARISING FROM OR RELATING TO THIS AGREEMENT EVEN IF SUCH PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. PICKNIK'S TOTAL CUMULATIVE LIABILITY IN CONNECTION WITH THIS AGREEMENT WILL NOT EXCEED THE AMOUNT OF FEES PAID TO PICKNIK UNDER THE APPLICABLE ORDERING DOCUMENT DURING THE TWELVE (12) MONTH PERIOD PRECEDING THE FIRST EVENT GIVING RISE TO SUCH LIABILITY.

10.2 Waiver of Liability for Customer's Use. PICKNIK HEREBY EXPRESSLY DISCLAIMS, AND CUSTOMER HEREBY UNDERSTANDS AND AGREES, THAT PICKNIK WILL NOT BE LIABLE FOR ANY USES OF THE SOFTWARE. CUSTOMER HEREBY RELEASES AND FOREVER DISCHARGES PICKNIK FROM ANY ALL CLAIMS RELATED TO CUSTOMER'S USE OF THE SOFTWARE BEYOND THE EXPRESS WARRANTIES PROVIDED HEREIN.

11. INDEMNIFICATION. PickNik will defend at its own expense any action against Customer brought by a third party to the extent that the action is based upon a claim that the Software infringes any patent or copyright, or misappropriates any trade secret, of a third party, and PickNik will pay those costs and damages finally awarded against Customer in any such action that are specifically attributable to such claim or those costs and damages agreed to in a monetary settlement of such action. The foregoing obligations are conditioned on Customer (a) notifying PickNik promptly in writing of such action; (b) giving PickNik sole control of the defense thereof and any related settlement negotiations; and (c) cooperating and, at PickNik's request and expense, assisting in such defense. If the Software becomes, or in PickNik's opinion is likely to become, the subject of an infringement claim, PickNik may, at its option and expense, either (i) procure for Customer the right to continue using the

Software, (ii) replace or modify the Software so that it becomes non-infringing, or (iii) terminate this Agreement upon written notice to Customer and (1) refund Customer the Fees paid for the Software (other than Perpetual Licensed Software) for the period following beyond the effective date of such termination, and (2) for Perpetual Licensed Software, refund Customer a portion of the Fees paid for such Perpetual Licensed Software upon such termination, computed according to a thirty-six (36) month straight-line amortization schedule beginning on the first day of the applicable License Term. Notwithstanding the foregoing, PickNik will have no obligation under this Section 11 or otherwise with respect to any infringement claim based upon (A) any use of the Software not in accordance with this Agreement, the Documentation, or any other specifications published by PickNik, (B) any use of the Software in combination with other products, equipment, or software not provided or recommended by PickNik, (C) any use of any release of any Software provided under this Agreement other than the most current release made available to Customer, (D) any Open Source Software provided under this Agreement, or (E) any modification of the Software by any person other than PickNik or its authorized agents or subcontractors. Customer will defend, indemnify, and hold PickNik harmless from and against any claim, action, or demand suffered by PickNik arising in connection with the modification or misuse of the Software by Customer or any User. THIS SECTION 11 STATES PICKNIK'S ENTIRE LIABILITY AND CUSTOMER'S EXCLUSIVE REMEDY FOR INFRINGEMENT CLAIMS AND ACTIONS.

12. GENERAL

12.1 Non-Exclusive. This Agreement shall not be construed to limit or prohibit PickNik in any manner or fashion in providing products or services of any type or nature to any other customer in its sole discretion.

12.2 Assignment. Neither party may assign or transfer, by operation of law or otherwise, any of its rights, or delegate or otherwise transfer any of its obligations or performance, under this Agreement (including any license rights granted to Customer to the Software, or Background Technology) to any third party without the other party's prior written consent, which consent shall not be unreasonably withheld or delayed. Notwithstanding the foregoing, either party may, without the other party's consent, assign its rights and obligations under this Agreement to a parent, affiliate, or subsidiary, or to a successor in connection with a merger, acquisition, or sale of all or substantially all of its equity or assets to which this Agreement relates. Any purported assignment, delegation, or transfer of this Agreement not in accordance with this Section 12.2 shall be null and void. This Agreement is binding upon and shall inure to the benefit of the parties hereto and their respective permitted successors and assigns.

12.3 Publicity. Customer agrees that PickNik may use its name and logos in PickNik's promotional materials and client lists.

12.4 Relationship of Parties. The relationship of the parties established under this Agreement is that of independent contractors and neither party is a partner, employee, agent, or joint venture partner of or with the other, and neither party has the right or authority to assume or create any obligation on behalf of the other party.
